We will not receive any proceeds from the sale of common stock by the selling stockholders. The selling stockholders will pay any underwriting fees, discounts, concessions, or brokerage commissions associated with the sale of their shares of common stock.

Each of the selling stockholders will determine when it will sell its shares, and in all cases will sell its shares at the current market price or at negotiated prices at the time of the sale. Our business, financial condition, results of operations and prospects may have changed since that date. This prospectus is based on information provided by us and other sources that we believe are reliable. We have summarized certain documents and other information in a manner we believe to be accurate, but we refer you to the actual documents for a more complete understanding of what we discuss in this prospectus. In making an investment decision, you must rely on your own examination of our business and the terms of the offering, including the merits and risks involved.

## FORWARD-LOOKING STATEMENTS

This prospectus and other materials filed or to be filed by us with the SEC (as well as information included in oral statements or other written statements made or to be made by us or our representatives) contains or may contain forward-looking statements within the meaning of Section 27A of the Securities Act and Section 21E of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). These forward-looking statements can be identified by the fact that they do not relate strictly to historical or current facts and may include the words “may,” “could,” “should,” “would,” “believe,” “expect,” “anticipate,” “estimate,” “intend,” “plan” or other words or expressions of similar meaning. We have based these forward-looking statements on our current expectations about future events. The forward-looking statements include statements that reflect management’s beliefs, plans, objectives, goals, expectations, anticipations and intentions with respect to our financial condition, results of operations, future performance and business, including statements relating to our business strategy and our current and future development plans. Actual results or developments may differ materially from the expectations expressed or implied in the forward-looking statements.

Forward-looking statements express expectations of future events. All forward-looking statements are inherently uncertain as they are based on various expectations and assumptions concerning future events and they are subject to numerous known and unknown risks and uncertainties which could cause actual events or results to differ materially from those projected. Our past performance or past or present economic conditions in our markets are not indicative of future performance or conditions. Due to these inherent uncertainties, current or potential investors in our securities are urged not to place undue reliance on forward-looking statements. In addition, we undertake no obligation to update or revise forward-looking statements to reflect changed assumptions, the occurrence of anticipated or unanticipated events or changes to projections over time.

You should carefully read the factors described under the “Risk Factors” section at page 1 in this prospectus, as well as any risks described in the documents incorporated by reference in this prospectus or any prospectus supplement.

## **RISK FACTORS**

Investing in our common stock involves substantial risks. In addition to other information contained in this prospectus and any accompanying prospectus supplement, before investing in our common stock, you should carefully consider the risks described under the heading "Risk Factors" in our most recent Annual Report on Form 10-K and subsequent Quarterly Reports on Form 10-Q, and in any other documents incorporated by reference into this prospectus, as updated by our future filings. These risks are not the only ones faced by us. Any of these risks might cause you to lose all or a part of your investment.

## **USE OF PROCEEDS**

We will not receive any of the proceeds from the sale of the shares of our common stock by the selling stockholders. All costs and expenses incurred in connection with the registration under the Securities Act of the offering made hereby will be paid by us, other than any brokerage fees and commissions, up to \$50,000 of the fees and disbursements of legal counsel for the selling stockholders, applicable local counsel to the selling stockholders, and stock transfer and other taxes attributable to the sale of the shares, if applicable, which will be paid by the selling stockholders.

## **DIVIDEND POLICY**

We do not currently intend to pay cash dividends on our common stock. Instead, we will use our available cash to continue the expansion of our business. Our credit facility does not allow us to pay dividends without the consent of our lenders.

## SELLING STOCKHOLDERS

On June 27, 2008, in connection with our acquisition of Mobile Storage Group, Inc., we issued 8,555,555.56 shares of preferred stock designated as our Series A Convertible Redeemable Participating Preferred Stock to former stockholders of Mobile Storage Group. Because the preferred stock includes one fractional share for which we will pay cash to the holders at the time of issuance rather than issue fractional shares of common stock, we are registering 8,555,555 shares of our common stock hereunder.

The Series A Convertible Redeemable Participating Preferred Stock is initially convertible into 8,555,555.56 shares of our common stock, representing a conversion price of \$18.00 per share. This preferred stock is mandatorily convertible into our common stock if, after June 27, 2009, our common stock trades above \$23.00 per share for a period of 30 consecutive days. The preferred stock does not have any cash or payment-in-kind dividends (unless and until a dividend is paid with respect to the common stock, in which case dividends will be paid on an equal basis with the common stock, on an as-converted basis) and do not impose any covenants upon us.

Under the terms of a stockholders agreement with the selling stockholders, these former Mobile Storage Group stockholders party to the stockholders agreement are restricted from transferring, voluntarily or involuntarily, directly or indirectly, in any manner, any equity or debt securities of Mobile Mini, in whole or in part, or any other right or interest therein, or entering into any transaction which results in the economic equivalent of a transfer to any person except pursuant to a permitted transfer (i) following such stockholder's death to a permitted transferee, (ii) to its affiliates subject to certain restrictions and (iii) on or after June 27, 2009, provided, that private sales of our common stock or sales of preferred stock to any single transferee shall not exceed 3% of the fully diluted common stock of Mobile Mini subject to certain restrictions. In addition, in the event of such permitted transfers, the aggregate number of permitted transferees in connection with transfers by any single stockholder party to the stockholders agreement may be limited or subject to certain restrictions.

We are registering the shares of our common stock covered by this prospectus pursuant to the registration rights granted to the selling stockholders under the terms of the stockholders agreement referenced above, to permit these investors to resell or otherwise dispose of these shares of common stock from time to time. The beneficial ownership information in the below table is based solely on information provided to Mobile Mini by each selling stockholder.

Pursuant to this prospectus, the selling stockholders may offer an aggregate of 8,555,555 shares of our common stock for resale. The shares are being offered for the account of the selling stockholders identified in the table below.

The following table sets forth information as of April 27, 2009 and includes the number of shares of our common stock beneficially owned by the selling stockholders prior to the offering, the number of shares of common stock offered by the selling stockholders, and the number of shares of common stock that will be owned by the selling stockholders upon completion of the offering or offerings pursuant to this prospectus, assuming the selling stockholders sell all of the shares of common stock offered hereby. Only those selling stockholders listed below or their transferees, pledgees, donees, assignees, distributees, successors and others who later come to hold any of the selling stockholders' interest may offer and sell the common stock pursuant to this prospectus and any accompanying prospectus supplement. The selling stockholders may offer for sale pursuant to this prospectus and any accompanying prospectus supplement from time to time, any or all of the common stock listed below. Accordingly, no estimate can be given as to the shares of common stock that the selling stockholders will hold upon consummation of any such sales.

Applicable percentages are based on 35,470,209 shares of our common stock outstanding on March 31, 2009, adjusted as required by rules promulgated by the Securities and Exchange Commission.

Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission.

Any selling stockholder who is a "broker dealer" will be deemed an "underwriter" within the meaning of Section 2(11) of the Securities Act, unless such selling stockholder purchased its shares in the ordinary course of business, and at the time of its purchase of the shares to be resold, did not have a view to or arrangements or understandings, directly or indirectly, with any person to distribute the shares. Except as otherwise provided herein, the selling stockholders have each informed us that they are not registered broker dealers and were not registered broker dealers at the time of the purchase of their respective shares.

There are no material relationships between the selling stockholders and us other than as disclosed herein and the documents we incorporate by reference.

## PLAN OF DISTRIBUTION

The selling stockholders and any transferees, pledgees, donees, assignees, distributees or other successors in interest to a selling stockholder may, from time to time, sell, transfer or otherwise dispose of any or all of their shares of our common stock covered by this prospectus on the NASDAQ Global Market or any other stock exchange, market or trading facility on which the shares are traded or in private transactions. These dispositions may be at fixed prices, at prevailing market prices at the time of sale, at prices related to the prevailing market price, at varying prices determined at the time of sale, or at negotiated prices. A selling stockholder may use any one or more of the following methods when disposing of shares:

- ordinary brokerage transactions and transactions in which the broker-dealer solicits purchasers;
- block trades in which the broker-dealer will attempt to sell the shares as agent but may position and resell a portion of the block as principal to facilitate the transaction;
- purchases by a broker-dealer as principal and resale by the broker-dealer for its account;
- an exchange distribution in accordance with the rules of the applicable exchange;
- privately negotiated transactions;
- settlement of short sales entered into after the effective date of the registration statement of which this prospectus is a part;
- broker-dealers may agree with the selling stockholders to sell a specified number of such shares at a stipulated price per share;
- through the writing or settlement of options or other hedging transactions, whether through an options exchange or otherwise;
- a combination of any such methods of sale; or
- any other method permitted pursuant to applicable law (including underwritten transactions).

The selling stockholders may also sell shares under Rule 144 under the Securities Act, if available, rather than under this prospectus.

Broker-dealers, underwriters and agents engaged by the selling stockholders may arrange for other brokers dealers, underwriters or agents to participate in sales. Broker-dealers, underwriters or agents may receive commissions, discounts or concessions from the selling stockholders (or, if any broker-dealer acts as agent for the purchaser of shares, from the purchaser) in amounts to be negotiated, but, except as set forth in a supplement to this prospectus, in the case of an agency transaction not in excess of a customary brokerage commission in compliance with FINRA NASD Rule 2440; and in the case of a principal transaction a markup or markdown in compliance with NASD IM-2440.

In connection with the sale of the common stock or interests therein, certain of the selling stockholders may enter into hedging transactions with broker-dealers or other financial institutions, which may in turn engage in short sales of the common stock in the course of hedging the positions they assume. The selling stockholders may also sell shares of the common stock short and deliver these securities to close out their short positions, or loan or pledge the common stock to broker-dealers that in turn may sell these securities. The selling stockholders may also enter into option or other transactions with broker-dealers or other financial institutions or the creation of one (1) or more derivative securities which require the delivery to such broker-dealer or other financial institution of shares offered by this prospectus, which shares such broker-dealer or other financial institution may resell pursuant to this prospectus (as supplemented or amended to reflect such transaction).

The selling stockholders and any broker-dealers, underwriters or agents that are involved in selling the shares may be deemed to be “underwriters” within the meaning of the Securities Act in connection with such sales. In such

event, any commissions received by such broker-dealers, underwriters or agents and any profit on the resale of the shares purchased by them may be deemed to be underwriting commissions or discounts under the Securities Act.

We will pay the expenses incurred in connection with the registration of the shares, including all registration, listing and qualification fees, printer and accounting fees, our legal fees and up to \$50,000 of the selling stockholders' legal fees, and applicable local counsel to the selling stockholders. The selling stockholders will pay any underwriting fees, discounts, concessions, or brokerage commissions associated with the sale of their shares of common stock.

Because selling stockholders may be deemed to be "underwriters" within the meaning of the Securities Act, they will be subject to the prospectus delivery requirements of the Securities Act including Rule 172 thereunder. In addition, any securities covered by this prospectus which qualify for sale pursuant to Rule 144 under the Securities Act may be sold under Rule 144 rather than under this prospectus.

To the extent required, the shares of our common stock to be sold; the names of the selling stockholders; the respective purchase prices and public offering prices; the names of any agents, dealers or underwriters; and any applicable commissions or discounts with respect to a particular offer will be set forth in an accompanying prospectus supplement or, if appropriate, a post-effective amendment to the registration statement that includes this prospectus. The resale shares will be sold only through registered or licensed brokers or dealers if required under applicable state securities laws. In addition, in certain states, the resale shares may not be sold unless they have been registered or qualified for sale in the applicable state or an exemption from the registration or qualification requirement is available and is complied with.

Under applicable rules and regulations under the Exchange Act, any person engaged in the distribution of the resale shares may not simultaneously engage in market making activities with respect to the common stock for the applicable restricted period, as defined in Regulation M, prior to the commencement of the distribution. In addition, the selling stockholders will be subject to applicable provisions of the Exchange Act and the rules and regulations thereunder, including Regulation M, which may limit the timing of purchases and sales of shares of our common stock by the selling stockholders or any other person. We will make copies of this prospectus available to the selling stockholders and have informed them of the need to deliver a copy of this prospectus to each purchaser at or prior to the time of the sale (including by compliance with Rule 172 under the Securities Act).
